Who we Serve

SOW = Strangers, Orphans, Widows. Heb13:2,
James 1:27

SOW: good SEED + good SOIL + good SEASON
= great Harvest

*"The harvest is plentiful, but the workers are few.
Ask the Lord of the harvest, therefore, to send out
workers into his harvest field."* Luke 10: 2

About Shaping Destiny

The HIV/AIDS epidemic has left millions of orphans in Africa alone. The majority of these children are literally abandoned, with no one to help them. Many of them die in their infancy because of lack of medical care, starvation or complications of malnutrition. United Nations statistics on child mortality associated with hunger are staggering. Every six seconds a child dies from hunger and related causes.

Most of these children that survive through infancy and childhood basically grow wild. With no parental guidance, or someone to love and guide them, many of them grow up and become prostitutes or bandits. To alleviate this problem, Shaping Destiny was founded. SD is a tax-exempt or 501 (c) (3) organization. This means that all your donations are tax-exempt.

The Difference in SD.

Our focus is the future of our kids, not their present condition. Our goal is to empower orphans and widows to become independent and productive individuals. This means we raise them to be spiritually and physically upright, fearing God, loving others, and serving their communities. We provide for their basic needs to help them develop to their full potential. Most importantly, we invest in poor children and their families through life skills and business training. Like good parents, SD supports all its children until they become self-reliant men and women who can take care of themselves and their families. Finally, we advocate for the protection of children's rights and promote the equal rights of girls to education and social status. Our vision is to serve poor orphans in all continents regardless of race, religion, or affiliations.
